Cherishing our children

A LECTURE WITH Julie Ward

Sunday February 17 at 2:00pm

Hilton Garden Inn / Homewood Suites in Bossier.
The Rose/Magnolia room
2015 Old Minden Road,
Bossier City, Louisiana 71111

From childhood, Julie Ward loved to dance. She danced with a small regional company and eventually became its associate director and choreographer. She taught jazz and ballet to everyone from the tiniest little ones to the professional class. Dancing taught her to value discipline, obedience, and persistence —foundational qualities for the practice of Christian Science. Friends and family began asking her to pray for them and her healing practice was born. Ward is now a full-time practitioner and teacher of Christian Science healing. As member of the Christian Science Board of Lectureship, Ward travels from her home in Atlanta, Georgia.
